songs and custom effects and transitions to create unique DJ sets. You are here LAKEWOOD, Ohio -- Multiple injuries were reported in a two-car crash that left one woman dead and two others injured early Saturday morning, according to the Lakewood Police Department. According to officials, the crash occurred around 12:30 a.m. and involved a Chevy Equinox and a Toyota Corolla, both in which the Corolla crossed over the center line into oncoming traffic. The driver of the Chevy lost control and went through the guardrail into a field, causing the vehicle to overturn. The driver of the Toyota was not injured in the crash. Officials said that the crash left the dead female and another two in critical condition at MetroHealth, and a fifth in serious condition at a local hospital. Police were seen on scene at

about 12:40 a.m., after the crash, to process the scene. Comments made by visitors are not representative of The Lakes Free Press. Comments are subject to approval and may be deleted.
